

## Why choose **evosoft** primecote?

**LIGHTWEIGHT:** Made from Evosoft Original, a low density and high quality fibreboard, Evosure Primecote is lightweight, easy to handle and easy to install.

**VERSATILE:** Able to fulfil a variety of different applications, Evosoft Primecote can be used in a multitude of ways, including insulation ceiling boards, display boards and office screens.

**EASY WIPE:** Evosoft Primecote is easy to clean. Simply use mild soapy water to remove dust and debris from the surface of the softboard.

**GREEN:** Our products are formaldehyde free, carry an e-zero emission rating and are manufactured in accordance with FSC™ regulations using natural binders.

**PRIMED:** The smooth surface of Evosoft Primecote is primed with a white primer to provide the ideal surface for paint finishes.
